

FITTING INSTRUCTIONS FOR FP0113BK FORK PROTECTORS
KTM 690 Duke III 2012

Please note that the way the kit is packed does not necessarily represent the way of mounting to the bike

Please note that in cases where kits are packed with rubber washers holding the components onto the bolt – *the rubber washers should be thrown away!*

- Undo and remove front spindle nut on left-hand side of spindle and replace with new nut from kit and tighten.
- Fit the hollow aluminium spacer into right-hand side of spindle.
- Slide spindle bar through new spindle nut and new hollow spacer.
- Place the two flat spacers over either end of the spindle bar.
- Position the crash protectors on either end of spindle bar (the flat spacers should fit into the counter bore of the crash protector).
- Fit washers and nuts on both ends of spindle bar and tighten.
- **DO NOT OVERTIGHTEN ! JUST TIGHTEN THEM UNTIL THEY LOCK UP – AS THEY ARE NYLOC NUTS THEY WILL HOLD TIGHT.**

CONSUMER NOTICE

The catalogue description and any exhibition of samples are only broad indications of the Products and R&G may make design changes which do not diminish their performance or visual appeal and supplying them in such state shall conform to the order. The Buyer acknowledges no representation or warranty (other than as to title) has been given or will apply to the Products other than those in R&G's order or confirmation and the Buyer confirms it has chosen the Products as being of merchantable quality and suitable for its particular purposes. Where R&G fits the Products or undertakes other services it shall exercise reasonable skill and care and rectify any fault free of charge unless the workmanship has been disturbed. The Buyer is responsible for ensuring that the warranty on the motorcycle is not affected by the fitting of the Products. On return of any defective Products R&G shall at its option either supply a replacement or refund the purchase money but shall not be liable if the Products have been modified or used or maintained otherwise than in accordance with R&G's or manufacturer's instructions and good engineering practice or if the defect arises from accident or neglect. Other than identified above and subject to R&G not limiting its liability for causing death and personal injury, it shall not be liable for indirect or consequential loss and otherwise its liability shall be limited to the amounts paid by the Buyer for the Products or the fitting or service concerned. These terms do not affect the Buyer's statutory rights.

R&G RACING RETURNS POLICY (NON-FAULTY GOODS)

Returns must be pre-authorized (if not pre-authorized the return will be rejected). Goods may only be returned direct to us if they were purchased direct from us (customer must prove if necessary). Otherwise to be returned to original vendor. Goods must be in resellable condition, in the opinion of R&G Racing. All returns are subject to a 25% restocking and handling fee (25% of the gross value exc. P&P – at the prevailing price at time of purchase). The customer must pay any and all carriage charges. No returns of discontinued products, unless within 14 days of purchase. This policy does not affect your statutory rights and does not refer to faulty goods.

Instructions de montage FP0113BK Protections fourche
KTM 690 Duke III 2012

La façon dont le kit est emballé ne correspond pas forcément à la façon de monter les pièces sur la moto.

Notez que si les kits sont emballés avec des rondelles en caoutchouc servant à tenir les composants, *ces rondelles doivent être jetées.*

- Desserrer et enlever l'écrou d'axe avant du côté gauche de l'axe et remplacez le par le nouvel écrou du kit puis bloquer.
- Monter l'entretoise en aluminium dans le creux droit de la broche.
- Placer les 2 entretoises plates autour de l'extrémité de l'axe..
- Positionner les protections crash sur chaque extrémité de l'axe (les entretoises plates devraient aller dans le contre alésage de la protection crash).
- Passer rondelles et écrous des 2 extrémités de l'axe puis bloquer.
- **NE PAS TROP SERRER – LES ECROUS EN NYLOC FIXERONT L'ENSEMBLE.**
