

Fitting Instructions for RAD0202BK/TI **Radiator Guard - Triumph Speed Triple S & R '16-**

In This Kit There Should Be

- 1x Radiator Guard
 - 2x 100mm Lengths of Foam
-
- To fit the radiator guard to the bike cut the foam strips provided into 10mm wide pieces and stick them to the back of the radiator guard frame, so that they sit between the radiator guard and the radiator.
 - Remove the original mounting bolt located at the top of the radiator on the right hand side as you look at the radiator from the front, (removing radiator/indicator side panels may aid this process) and also remove the two mounting bolts located at the bottom of the radiator.
 - Insert the top left mount of the radiator guard into the top left radiator stud hanger. Fix the radiator guard into position and fix in place using the original mounting bolts previously removed. Tighten all bolts to ± 8 Nm.

CONSUMER NOTICE

The catalogue description and any exhibition of samples are only broad indications of the Products and R&G may make design changes which do not diminish their performance or visual appeal and supplying them in such state shall conform to the order. The Buyer acknowledges no representation or warranty (other than as to title) has been given or will apply to the Products other than those in R&G's order or confirmation and the Buyer confirms it has chosen the Products as being of merchantable quality and suitable for its particular purposes. Where R&G fits the Products or undertakes other services it shall exercise reasonable skill and care and rectify any fault free of charge unless the workmanship has been disturbed. The Buyer is responsible for ensuring that the warranty on the motorcycle is not affected by the fitting of the Products. On return of any defective Products R&G shall at its option either supply a replacement or refund the purchase money but shall not be liable if the Products have been modified or used or maintained otherwise than in accordance with R&G's or manufacturer's instructions and good engineering practice or if the defect arises from accident or neglect. Other than identified above and subject to R&G not limiting its liability for causing death and personal injury, it shall not be liable for indirect or consequential loss and otherwise its liability shall be limited to the amounts paid by the Buyer for the Products or the fitting or service concerned. These terms do not affect the Buyer's statutory rights.

R&G RACING RETURNS POLICY (NON-FAULTY GOODS)

Returns must be pre-authorized (if not pre-authorized the return will be rejected). Goods may only be returned direct to us if they were purchased direct from us (customer must prove if necessary). Otherwise to be returned to original vendor. Goods must be in re-sellable condition, in the opinion of R&G Racing. All returns are subject to a 25% restocking and handling fee (25% of the gross value exc. P&P – at the prevailing price at time of purchase). The customer must pay any and all carriage charges. No returns of discontinued products, unless within 14 days of purchase. This policy does not affect your statutory rights and does not refer to faulty goods.

NOTICE POUR RAD0202BK/TI
PROTECTION RADIATEUR - Triumph Speed Triple S & R '16-

Le kit doit contenir :

- 1x Protection radiateur
 - 2x 100mm Longueur de mousse autocollante
-
- Couper la mousse en bandeaux de 10mm puis collez ces bandeaux au bas du support de protection radiateur, de façon à ce que ces bandeaux se situent entre la protection radiateur et le radiateur.
 - Enlever le boulon de fixation d'origine sur le haut du radiateur du coté droit lorsque vous regardez le radiateur de devant, (Enlever les panneaux de radiateurs/clignotant peut faciliter l'accès) et enlever également les 2 boulons de fixation placés au bas du radiateur.
 - Insérer le support supérieur gauche de la protection radiateur dans l'onglet support supérieur gauche du radiateur. Fixer la protection radiateur en position et à l'aide des boulons de fixation d'origine précédemment enlevés. Serrer tous les boulons à ± 8 Nm.
