

#### **INSTRUCTIONS FOR USE OF R&G PADDOCK STAND HOOKS (code SH0001)**

Slide left and right hooks through aperture in your paddock stand, so that the “sharp end” of each hook is facing the front of the bike (see above picture)  
Place washer over each spindle, on the outside of the paddock stand  
Slide retaining pin through the very small hole in each of the two hooks  
Ensure that the hooks are evenly spaced each side, so that when the bike is raised it will remain stable  
Place the stand and hooks behind the bike and line up the hooks loosely under the paddock stand bobbins, cotton reels or spindle sliders. Be careful not to scratch your bike’s swingarm!  
Only attempt to raise the bike onto the hooks on your own if you are experienced – seek help in stabilising the bike if you are unsure  
Slowly and evenly push the paddock stand forwards and let the hooks locate under the bobbins and raise the bike evenly, without fouling against the bike’s swingarm  
Due to the extra length of the hooks you can use them on bikes with single sided swingarms and R&G spindle sliders (such as the above-pictured MV Agusta Brutale)  
Reverse the process, again slowly and evenly, when removing the bike from the stand

#### **Consumer Unit**

The catalogue description and any exhibition of samples are only broad indications of the Products and R & G may make design changes which do not diminish their performance or visual appeal and supplying them in such state shall conform to the order.  
The Buyer acknowledges no representation or warranty (other than as to title) has been given or will apply to the Products other than those in R & G’s order or confirmation and the Buyer confirms it has chosen the Products as being of merchantable quality and suitable for its particular purposes.  
Where R & G fits the Products or undertakes other services it shall exercise reasonable skill and care and rectify any fault free of charge unless the workmanship has been disturbed. The Buyer is responsible for ensuring that the warranty on the motorcycle is not affected by the fitting of the Products.  
On return of any defective Products R & G shall at its option either supply a replacement or refund the purchase money but shall not be liable if the Products have been modified or used or maintained otherwise than in accordance with R & G’s or manufacturer’s instructions and good engineering practice or if the defect arises from accident or neglect.  
Other than identified above and subject to R & G not limiting its liability for causing death and personal injury, it shall not be liable for indirect or consequential loss and otherwise its liability shall be limited to the amounts paid by the Buyer for the Products or the fitting or service concerned.  
These terms do not affect the Buyer’s statutory rights.

#### **R&G RACING RETURNS POLICY (NON-FAULTY GOODS)**

Returns must be pre-authorized (if not pre-authorized the return will be rejected)  
Goods may only be returned direct to us if they were purchased direct from us (customer must prove if necessary). Otherwise to be returned to original vendor. Goods must be in re-sellable condition, in the opinion of R&G Racing  
All returns are subject to a 25% restocking and handling fee (25% of the gross value exc. P&P – at the prevailing price at time of purchase)  
The customer must pay any and all carriage charges. No returns of discontinued products, unless within 14 days of purchase  
*This policy does not affect your statutory rights and does not refer to faulty goods*
